DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 17-30 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 17, lines 3-6 and claim 24, lines 3-6, the retreating of the first data is based on a determination that the first data cannot be output and second data can be output. In claim 17, lines 7-9 and claim 24, lines 7-9, the retreating of the first data is based on an indication included in a print instruction provided by the host computer. It is not clear whether or not the retreating of the first data occurs if these two conditions are not in agreement.

Allowable Subject Matter

3. Claims 31-34 are allowed.
4. Claims 17-30, insofar as they are understood, would be allowable if rewritten or amended to overcome the rejection(s)

Art Unit: 2624

under 35 U.S.C. 112, second paragraph, set forth in this Office action.

5. The following is a statement of reasons for the indication of allowable subject matter:

Re claims 17 & 24, insofar as they are understood, and claims 31 & 33 (and dependent claims 18-23, 25-30, 32, & 34), Examiner finds Applicant's arguments (Paper #6: page 10, line 12 - page 13, line 2, particularly page 10, lines 12-23) persuasive.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated

Art Unit: 2624

from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
